

Northeastern Wisconsin Veterans Memorial

An approved 501(c)(3) nonprofit organization, Veterans Memorial exists to honor our fallen soldiers brothers and sisters who paid the ultimate sacrifice in Northeastern Wisconsin. It is our intention to erect a timeless memorial to their dedicated service. Your support will contribute to the creation of this beautiful memorial and financially support future maintenance. An engraved brick is a perfect way to commemorate a special occasion or that special service person. It can serve as a lasting memorial to honor a beloved friend, or family member. Whatever the message, our brick represents a unique memory to be cherished for years to come!

Your brick will be placed on the memorial grounds. Bricks can be personalized to include sponsor name(s), offer words of support to veteran's, provide encouragement to families of fallen heroes, logos, and/or list of persons in memoriam. Please fill out one form for each brick sponsorship to ensure proper processing. Once we receive and process your application you will receive a receipt for your donation. The NEWVM reserves the right to refuse or reject any donation and/or brick design or text. If you have additional questions or comments please feel free to contact us anytime. Thank you for your support!

1 8" x 16" Brick with Logo

\$450 (6 Lines, 15 Characters & Spaces per line)

**Standard
Logo**

NOTE: Bricks are installed only once a year prior to the annual dedication ceremony. The deadline for ordering bricks is March 15th each year to ensure that your brick will be included in the ceremony. Standard logos include Army, Navy, Marine Corps, Air Force, Coast Guard, Merchant Marines, Army Air Corps, POW. Custom logos may be also used if sent electronically in JPEG format, appropriate resolution and specified size. If your logo requires additional art work, an additional fee will apply. If you have any questions please see the contact information below.
